STAFF RECOMMENDATION TO CANCEL
CERTIFICATE OF SERVICE AUTHORITY AND TARIFF

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its recommendation respectfully states:

1. On September 15, 2005, Teleglobe America, Inc. (Teleglobe) filed its Surrender of Certificate of Service Authority (Application) in the above-captioned case. In accord with its Application, the Staff submits its Memorandum, attached hereto as Appendix A and incorporated by reference herein, recommending the cancellation of Teleglobe's certificate of service authority and accompanying tariff to provide interexchange and non-switched local exchange telecommunications services.

2. Teleglobe was granted a certificate of service authority to provide interexchange and non-switched local exchange telecommunications services on April 21, 2005 in Case No. XA-2004-0464. Teleglobe's tariff, PSC MO No. 1, was approved in the same case. Teleglobe states in its Application that it has no customers in Missouri. Therefore, cancellation of Teleglobe's certificate of service authority is not detrimental to the public interest. Teleglobe has no other matters pending before the Commission.

3. Because cancellation of Teleglobe's certificate is not detrimental to public interest, Teleglobe's certificate should be canceled by the Commission.

4. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410, RSMo 2000 which provides:

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon Request of the person or company affected.

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. 1989).

WHEREFORE, Staff recommends the Commission issue an order canceling the certificate of service authority of Tele globe America, Inc. to provide interexchange and non-switched local exchange telecommunications services and its accompanying MO PSC Tariff No. 1.

Respectfully submitted,

DANA K. JOYCE

Subject: Staff Recommendation to Cancel Certificate of Service Authority and Accompanying
Tariff

Date: September 19, 2005

On September 15, 2005, Teleglobe America, Inc. (Teleglobe), a competitive telecommunications company, filed its Surrender of Certificate of Service Authority. Teleglobe was granted a certificate of service authority to provide interexchange and non-switched local exchange telecommunications service on April 21, 2005 in Case No. XA-2004-0464.

According to Teleglobe's pleading, the company has no customers in Missouri so cancellation of its certificate of service authority is not detrimental to the public interest. The Staff has no objections to the request for cancellation and recommends that the Commission issue an order to cancel Teleglobe's certificate of service authority to provide interexchange and non-switched local exchange telecommunications service and accompanying tariff, Missouri PSC No. 1. The Staff is unaware of any other filing which affects or which would be affected by this proposal.
